Dear Parent/Carer,

### **SIAMS CHURCH SCHOOLS INSPECTION OUTCOME**

We are extremely pleased to announce that the outcome of our SIAMS Inspection on June 21st 2019, is a grading of '**Excellent**'. This is the highest outcome possible under the new inspection framework. This is an incredible achievement for our whole school community and indeed recognises all of the hard work of everyone involved.

The final report fully highlights many of the great things that happen to enable both pupils and adults to thrive. During the inspection, all of the children were wonderful representatives of our school and spoke so knowledgeably and proudly about what happens each and every day. It was felt that our vision was clearly shared by all and shone through in everything that was observed. Here are a few of the many notable findings:

'The emphasis on Christian values has led to the creation of a warm and inclusive community where all feel a sense of belonging.'

'There is a strong sense of families, school and church all working together for the benefit of the children.'

'Instance of bullying or prejudicial language or behaviour are rare and are effectively dealt with.'

'As a result of the rich and stimulating curriculum and good teaching, pupils progress well, and attainment is high.'

'Pupils enjoy religious education and talk enthusiastically about how the subject challenges and inspires them.'

'The well qualified and experienced RE leader, with the support of senior leaders and governors, has been successful in ensuring that RE plays a key role in pupils' spiritual development, enabling them to develop as curious and reflective learners.'

'Governors are very committed to the school and feel accountable to the local church and community for the preservation of its strong Christian foundation.'

'Excellent leadership over time has enabled the school, through its links with the church to become the heart of a Christian community where all are valued and supported and where, as a parent commented, pupils, develop love for each other, their school and the environment.'

**'We enjoy learning and achieving in a Christian environment'**

As well as it being very gratifying to have such wonderful things written about our school, it was also incredibly rewarding to see the response of so many members of our school community in wanting to speak and write in praise of all that we do.

My sincere thanks to pupils, staff, families, governors, volunteers, for their contributions to the process and their hard work and support every day to make our school the very best it can be. I am incredibly proud to have had our achievements recognised in this way and look forward to us continuing and building upon, our fantastic work as a church school.

With very best wishes and thanks for your continued support,

Mrs S M Hall  
Head Teacher
