Monday 20<sup>th</sup> March 2023

Dear Parents, Grandparents and Carers,

Further to our previous letter, regarding the gardening club. We have very kindly been given a skip, by Edward Mullaney's family, this will arrive on **Monday 3<sup>rd</sup> April** (the first day of the Easter holidays).

We are asking for helpers who are willing to come and clear the garden area, so that we can make sense of what is there and consider the next steps. We have been fortunate enough to have the support of Greg (from Tesco's) and Katherine from Incredible Edible, who is organising some D of E helpers and has created a beautiful eco garden at St Mary's Church.

If you would be willing to come and help with this on either the **Monday 3<sup>rd</sup> April or Tuesday 4<sup>th</sup> April**, we would be most grateful, please could you let us know ASAP. We will begin at **9 am** on both mornings, dependent on how much is cleared. Mr Hirst has very kindly offered to help and will be there on both days. Our governor Lety is coordinating volunteers via a Whatsapp group, "St. Mary's Gardening Club," which she has created for this purpose. Get in touch with school if you wish to join the group, get involved or get updates on this project.

It is something that the school council would really like to sort before the end of the year, so any help is appreciated.

Thank you in advance, and we sincerely hope that you choose to help our school.

Best wishes,

*On behalf of Mrs Wray and the School Council*
