Ability Wheelz Cycling Centre

ABOUT US
Based in the beautiful surroundings of Alexandra Park, Ability Wheelz provides a wide range of adapted and universal cycles for hire. The whole family can enjoy exercise in a community setting, with fully adapted cycles available to meet the needs of children, young people and adults with additional needs, disabilities or health needs.

WHAT WE OFFER
Our location gives you clean green space where you can not only enjoy exercise and activity, but where our person-centred offer enables service users to access a range of events, peer support opportunities and the chance to learn new skills.

We now offer ‘Learn to Ride’ cycling lessons, so that children, young people, and adults with, or without, additional needs can learn to ride a bike and enjoy the independence and health benefits this can bring.
